<p>GRADE 5</p>	<p>On the 25th of March 2022 we hosted our first Reader-thorn as Thornhill Private School. The day was covered with great pleasure and fun as we cultivated the culture and love of reading and literacy among our learners. On the day learners brought different reading books which they exchanged with their classmates before we kick started our reading completion as a school. The competition was done per Grade and Grade 5 learners were given a golden opportunity to read the book "HOANDI AND FRIENDS" page by page. Eventually, Llu-Anne Januarie was the winner among the grade 5 learners.</p>

AFRIKAANS

Getting a hold of a new language is very tough. Afrikaans is a well popular language in Namibia. At Thornhill college we are trying our best to teach kids this well popular language Afrikaans through reading books, talking aids, roleplay just

to mention but a few. *Most of our learners* are really enjoying and catching up in an amazing way as we always try to learn in a more fun and practical way.
